

MARYDALE PRE-PRIMARY SCHOOL

PICNIC

A picnic is an event to enjoy the warm sunshine, eat outdoors, have a break and fun.

On January 19, 2018 our Nursery Marydaliens were taken to 'Wonder park' Nerul for the Annual Picnic. They had great fun sitting in the toy train, and enjoyed the swings, slides, rock climbing etc. Children learnt to share their food with their friends and took their turn for the rides.

Through picnic their social as well as all round development was enhanced. They came back with lot of memories to cherish throughout their life.
