There was an informative and interactive workshop by Scholastic for grade 3 on Friday July 21 2017 in the school Library.

The aim of the workshop was to bring the book 'Animal Story' by Ruskin Bond alive through images. The resource person Ms.Jyotsna was passionate, polite and did an excellent presentation.

The students were motivated through a quiz, colouring activity and exploring their imagination.

We thank our Principal Ms. Grover and the Scholastic Team for providing such an excellent opportunity for the students.
