

ST. MARY'S ICSE SCHOOL

KOPARKHAIRANE, NAVI MUMBAI

Rally for Rivers

As a part of our contribution towards creating a roadmap to rejuvenate our depleting rivers and saving our country's lifelines, we at St. Mary's had a special assembly promoting the campaign- Rally for Rivers.

For the same, we had our students –Sana Ansari and Suhani Surana, from class VIII

(winners of the online Radio jockeying event at Cascade 25, an interschool competition) reaching out to help spread awareness of the campaign. In their unique style they made the school aware about the problem we stand to face with rivers depleting over a period of time and exhorted us to support the campaign by placing a missed call at 8000980009.

In an attempt to involve the society at large, and pledge their support the students of ISC created and displayed posters in the school premises.
